## **Why is this such a rare opportunity?**

Heather has studied with acupuncture masters Dr. Shen and Dr. Van Buren. She contains 40 years of knowledge and wisdom past down from her teachers and clinical experience that can't be found in modern day acupuncture books.

Heather has had over a decade being called out to a closed sect where the women are expected to always be pregnant or lactating, and who are not allowed access to contraception. Her innovative work restoring easy maternity in these situations translates directly into all aspects of urban modern practice as a meridian based heartful acupuncturist. In this master class she will share acupuncture knowledge that is invaluable and will change your practice!

## **This course will teach you:**

- Acupuncture theory in treating pregnancy safely from a meridian/energy viewpoint
- 8 extra meridians and point application
- Undoing stuck blood in the abdomen, c-section scars and adhesions
- How to handle high risk pregnancies
- Restoration to a normal healthy pregnancy

This class is an introduction to the Gentling Way Practitioner weekend course on **Pelvic Opening Part I: Painless Pregnancy, Easy Birth & Beyond.**

In this course will you learn hands on methods to address pregnancy and more.
